Albums

General information:

- There are many different styles available for wedding albums. The albums outlined below are just a few available and I can definitely work with you to find a style that matches your preferences. Please contact me to discuss other options or request a quote.
- Shipping (with signature confirmation and insurance) by USPS Priority is included, other options available.
- Turn around time will vary by album, time of year, and schedules. I will provide a quote at the start of the album process and do my best to provide quick turn around.
- Discounts are available on multiple copies, this is a great option for parents.
- Smaller versions of a main album are also available. For instance, you could get a 12x12" album for yourself and then order 8x8" albums for parents.

Design information:

- There are two layout styles to choose from, this refers to how the photos are arranged on the page and is independent from the album size/materials.
- The *standard* style consists of approximately one photo per page on a solid background, a variety of photo borders are available.
- The *custom* style consists of multiple photos per page in a professionally designed layout.
